TO SAN MIGUEL

The house

Casa Ether sits on a private hilltop of 7,999 m² inside Rancho Piedras Azules, twenty minutes from the center of San Miguel de Allende. Double-height ceilings, Sacarella oak floors and wood-panelled ceilings run through open living and dining spaces that slide open onto a wrap-around deck, a lap pool, a jacuzzi and a gas fire pit with step-down seating. Chef's kitchen with marble island and walk-in pantry, cava and bar, gallery-style hallways, marble master bathroom, staff quarters. Mountain and valley views in every direction.

Location

Lot 15, Rancho Piedras Azules, Palo Blanco, Guanajuato — 20 minutes from San Miguel de

Two levels on a hilltop: a long, low volume with a cantilevered roof plane, double-height living spaces and glass walls that dissolve the interior into the landscape. The design began as a scheme received from elsewhere and was re-read and built by RBC.

Allende centro. Gated; mountain and valley views in every direction.

Site

Lot 15, Rancho Piedras Azules, Palo Blanco, Guanajuato — a gated community with an access road and complete privacy; 20 minutes from San Miguel de Allende centro. Views of the sierra and the valley on every side.

Materials

Sacarella oak floors; wood-panelled ceilings; marble island and master bathroom; double-paned windows; stone and concrete outside; agave gardens.

Condition

Built and finished; designer furnishings and art. Security system, ample parking.

Potential

A finished contemporary house of this scale, on nearly two hectares of private country this close to San Miguel, is rare.

ROBERTO'S NOTES

We took a design that was not ours and made it belong to the site. The glass walls were the decision that mattered: every room opens to the mountains.
