Casa Musa

THE SPACE

Casa Musa is the apartment above Casa Cuadrante, the restaurant on the ground floor of a historic house that RBC restored, adapted and furnished. It was made for people who like living among art: a living-dining room with a fireplace and a direct view of the Parroquia, a bedroom with a king bed and full bath, a sound system, a private balcony over the street and a laundry room. Water, electricity and internet are included. Available for mid-term stays.

ARCHITECTURE

An apartment organised around a living-dining room with a fireplace and a straight view of the Parroquia; private balcony over the street.

SITE

Inside Casa Cuadrante, historic center — the Jardín Principal on foot.

MATERIALS

Restored historic house; furnished and decorated, with art throughout; sound system.

CONDITION

Ready; services included.

POTENTIAL

Mid-term stays inside the center rather than next to it.

> ROBERTO'S NOTES
>
> *It was designed to be lived in by someone who works surrounded by art. The balcony does the rest.*
